Vision and Mission

Our stated Vision is:

To be a global leader in providing an accessible, outstanding, and all-inclusive education that reflects the principles and teachings of Islam.

Our stated Mission is:

Doha Academy offers an education for life. We believe that schools should be happy and purposeful communities that enable children to achieve their best spiritually, morally, socially intellectually and physically.

Our Vision and Mission are our most important guiding statements. They synthesize the aspirations we hold for our students during their time with us and beyond. With these as our chief goals, it is important that we measure our progress towards and achievement of them. In the coming days we will be inviting your feedback and your participation in school to help our evaluation process.

1 - QATAR NATIONAL IDENTITY

We have produced a set of guidelines for our staff as to how they can help promote Qatar National Identity as part of Qatar's 2030 Vision. At Salwa, the majority of our students are Qatari and even though we welcome students and staff from around the world, we are fully aware of our school's context.

We would very much welcome your ideas as to how we can better promote Qatar National Identity. We would love to hear from Qatari parents who would like to talk to our students about their work, their culture or heritage. Please get in touch: a.azouz@dohaacademy.net

Islamic Value of the Week - Aspiring

Aspiring

حَتَّى تَقُومَ لَا أَنْ اسْتَطَاعَ فَإِنْ فَسِيلَةٌ، أَحَدِكُمْ يَدُ وَفِي السَّاعَةِ قَامَتْ إِنَّ " : وَسَلَّمَ عَلَيْهِ اللَّهُ صَلَّى اللَّهُ رَسُولُ قَالَ : قَالَ مَالِكُ بْنُ أَنَسٍ عَنْهُ
" فَلْيَغْرِسْهَا يَغْرِسْهَا "

On the authority of Anas Ibn Malik, who said: The Messenger of God, may God bless him and grant him peace, said: "If it is the

end of the world and a plant is in the hand of one of you, then if

he is able to plant it before the world ends, let him plant it."

Celebration Assemblies

Celebrating Leadership

Students enjoyed our celebration assemblies where our Student Council members were presented with certificates and badges.

The boys' Student council will be run by Ms Maire Markey (Humanities teacher) and Ms Mariam Nuradin (Science teacher) the girls. The groups have already been busy discussing future events and sharing their thoughts to help improve the school. We are very impressed with their efforts and ideas.

Anti-Bullying Week 14th-18th November

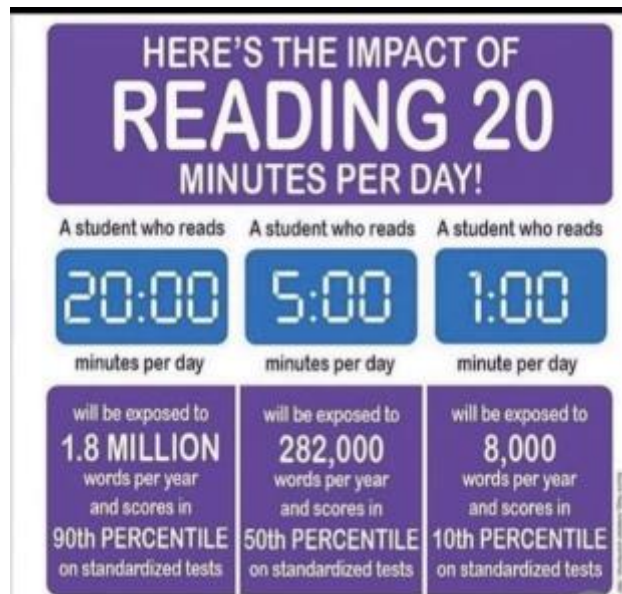

Anti-Bullying Week 14th-18th November

Anti-Bullying Week is an annual event held in the third week of November which aims to raise awareness of bullying of children and young people, in schools and elsewhere, and to highlight ways of preventing and responding to it.

Students will take part in a number of activities throughout the week including a poster competition, discussions, workshops and finally, students will be invited to wear odd socks on Thursday!

We look forward to reporting back next week with the work our classes complete.
