2024/2025

Doha Academy's School Uniform Policy

In the spirit of school community and a sense of pride and belonging, all students must wear the required Doha Academy school uniform. We believe that parents have a duty to ensure their child follows the uniform policy and must ensure that the uniform is clean, ironed and in good repair.

Parents will be asked to send appropriate school uniform to school if their child is not following the Uniform Policy.

In the event a student continually flouts the uniform policy, warnings will be given and meetings with parents requested; thereafter, a home-school agreement must be signed by the parent and student. Students persistently not following the uniform policy risk not being re-enrolled for the next academic year.
