DOHA ACADEMY & DIKG

BLUE DAY

A vibrant day of blue at Doha International Kindergarten, as our young learners filled the campus with energy, creativity, and joy. We also celebrated their dedication with Attendance and E-Learning Participation Certificates—every effort counts, and every achievement shines.

02.04.26

JUNGLE DAY

The jungle came alive at Doha International Kindergarten as the school transformed into a vibrant world of imagination, filled with roaring lions, curious explorers, and joyful energy. Students and teachers embraced a day of laughter, creativity, and wild adventures, bringing the spirit of the jungle to life.

16.04.26

BUBBLE DAY

A bubbly and joyful morning at Doha International Kindergarten, as Bubble Day filled the campus with laughter, creativity, and magical moments. From giant bubbles to hands-on activities, our learners and teachers made the day truly special.

16.04.26

CHARACTER DAY

Storytime came to life at Doha International Kindergarten as our learners became their favorite characters, stepping into a world of imagination. With stories brought to life, the day was filled with laughter, curiosity, and magical moments.

16.04.26

PYJAMA DAY

A cozy and joyful day at Doha International Kindergarten, as our little learners arrived in their favorite pyjamas and turned the day into a celebration of comfort, imagination, and playful learning. From storytime to engaging activities, every moment was filled with warmth, creativity, and excitement.

Bubble Day

Character Day

Pyjama Day

EARTH DAY

At Doha Academy Salwa, students, teachers, and staff celebrated Earth Day at Doha Academy Salwa, reflecting on the importance of protecting our planet.

Through eco-activities and sustainability discussions, students explored ways to reduce waste, conserve energy, and care for the environment in Qatar and beyond.

At Doha Academy Salwa, we foster both academic excellence and environmental responsibility.

30.04.26

Doha Academy Salwa celebrated World Book Day with a dedicated Reading Hour, where students stepped into a calm, focused space to enjoy the power of reading.

Classrooms became quiet zones of imagination, filled with stories that sparked curiosity and discovery—one page at a time.

23.04.26

WORLD BOOK DAY

SALWA

HAMAD BIN KHALIFA UNIVERSITY

Our students at Doha Academy – Salwa Branch had an exciting and enriching experience as we welcomed the Hamad Bin Khalifa University Science and Engineering Road Show to our campus.

27.04.26

AL WAAB

Doha Academy Al Waab Primary conducted a Shelter-in-Place Emergency Drill, demonstrating strong preparedness across the school.

Students and staff responded with calm, focus, and confidence as procedures were carried out smoothly.

At Doha Academy Primary, safety remains a shared commitment and a core value.

13.04.26

SHELTER IN PLACE

At Doha Academy Al Waab Primary, our French Department transformed reading hour into a magical learning journey. Year 2C students were fully immersed in the timeless story *Le Petit Chaperon Rouge*, exploring language through the art of storytelling.

READING HOUR

World Book Day at Doha Academy Al Waab turned the campus into a living library, with students bringing their favourite book characters to life through creative costumes. The celebration went beyond dressing up, inspiring imagination, creativity, and a love for reading, reminding us that every book opens the door to a thousand new lives.

COLD VS FLU VS INFLUENZA WORKSHOP

05.04.26

At Doha Academy Al Waab Primary, students took part in an informative session with the school nurse, exploring the differences between colds, flu, and influenza. They learned to recognise symptoms, understand prevention, and practice good hygiene to stay healthy.

COLD VS FLU VS INFLUENZA WORKSHOP

07.04.26

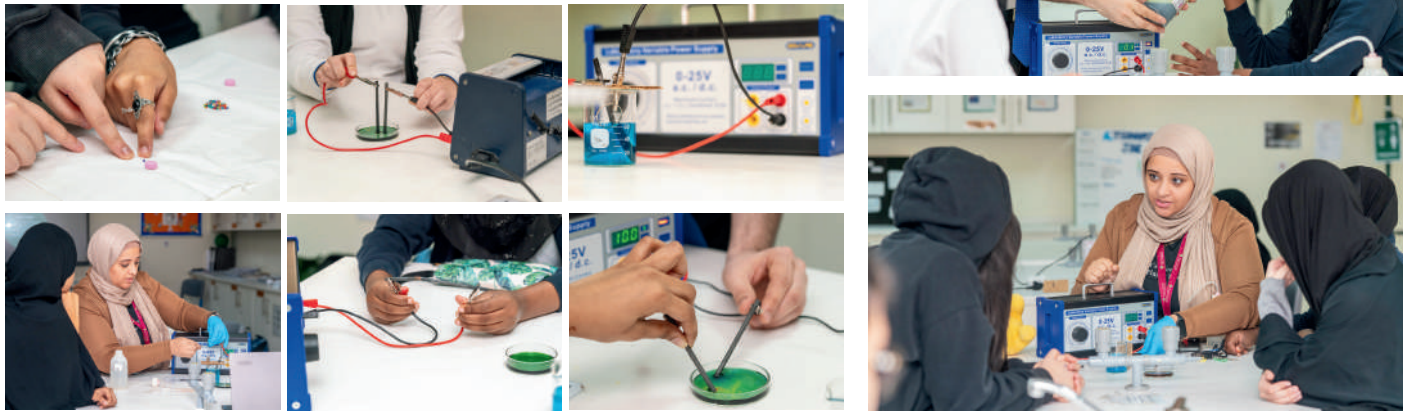

At Doha Academy Al Waab Primary, students participated in a follow-up health workshop with the school nurse, building on their knowledge of colds, flu, and influenza through deeper understanding and practical guidance.

SCIENCE EXPERIMENT

WITH SECONDARY GIRLS

At Doha Academy Al Waab Secondary Girls, chemistry comes to life through hands-on labs, atomic model creations, and engaging quizzes—sparking curiosity, building confidence, and inspiring a passion for science among our students.

French Meets Science!

On 13 and 27 April, Doha Academy Al Waab Secondary Girls explored the work of Louis Pasteur through an engaging French and Science interdisciplinary lesson. Through hands-on experiments, collaborative tasks, a virtual museum tour, and an interactive quiz, students deepened their understanding of microbes while building confidence in French—showcasing curiosity, creativity, and a passion for learning.
